

# 72 SIMON-SIMPLE'S FIRST LESSONS IN CLOWNIS

**What EDISON has done for the COUNTRY HOME:**

He has made it possible for even the most isolated home to enjoy the genuine Edison Electric Light—identically the same as used in the largest cities. He has created "The Electric Household"—where woman's tasks become lighter because much of the housework is done by the quick, easy and economical "Edison-Electric" Way. The

ELECTRIC LIGHT PLANT

—the Nickel-Iron-Alkaline Battery without acid or lead plates—makes the home Electrical and more comfortable for YOU, no matter where you live. The Edison Storage Battery is guaranteed to be capable of developing full-rated capacity at the end of four years. Simple to operate and maintain. No battery troubles.

Send for Catalog M, which describes the Thomas A. Edison Electric Plant.

M. C. HOWIE, Electrician,  
Monroe, N. C.

**AT THIS STORE**  
Quality Will Please You  
—AND—  
Price Will Tickle You.

Yes, that is a broad statement, but not one whit too sweeping for either our goods or our prices, or both. Our goods are too pure and wholesome for us to ever have to "eat our words."

**Grocery Buying is Easy Here**  
YOU DON'T HAVE TO TAKE CHANCES ON THE QUALITY, FOR WE SELL ONLY ONE KIND—HIGH GRADE—THE KIND THAT PLEASES YOU AND CAUSES YOU KEEP RIGHT ON COMING HERE AND YOU KNOW FROM EXPERIENCE THAT THE PRICE WILL TICKLE ANY ECONOMICAL BUYER.

WHEN YOU WANT TO BE BOTH PLEASED AND TICKLED, JUST COME TO US. YOU'LL KEEP ON COMING.

**News From Indian Trail Route.**  
Correspondence of The Journal.

Indian Trail, Route 1, June 22.—Mr. Tom Price and Miss Rannette Purser were married last Thursday by Rev. M. D. L. Preslar. Miss Ola Helms and Mr. Clyde Price, Miss Wilma Price and Mr. Dewey Helms were the attendants. Best wishes attend them.

Miss Lizzie Phifer of Price's Mill visited her cousin, Mrs. J. A. Pressley, here recently.

Mr. Eb Price has returned from an extended trip to Charlotte.

Mr. Joe Hartsell had a mule almost drowned in Crooked Creek a few days ago. The pasture in which the mule had been turned is on the creek, and the mule got in a lake and was almost drowned before Mr. Hartsell succeeded in rescuing the animal.

If possible, many of the Goose Creek youngsters are going to get up floats to go to Garmon's mill on the 8th of July, though we are not going to miss Monroe on the Fourth.

Messrs. Will and June Pressley received a message from Charlotte stating that their sister, Mrs. E. W. Benton, was very low with mumps and they left at once for her bedside.

Mr. and Mrs. D. C. Tucker and their children came in an automobile from Peachland and are at Mr. and Mrs. J. W. Hartsell's.

Mr. and Mrs. Wise Scott, who have been visiting friends and relatives in Peachland have returned home.

Miss Manie Dixon, who has been in Winston-Salem for some time, is expected home next week. She will be accompanied by her nephews, Ludo and John Roberts.

Misses Flora and Lula Pressley spent Sunday with their friend, Miss Ola Helms near Center Grove.

Misses Minnie Riche and Lula Mae Helms of Center Grove visited friends here recently.

Miss Lula Pressley has a three-legged duck, and it is doing well at this writing.

Miss Mary Pressley gave an organ recital to a number of her friends last Sunday evening.

Mr. Vernon Funderburk and sister, Miss Hallie Funderburk, spent Saturday and Sunday with friends in Monroe.

Mr. and Mrs. D. L. Furr and Mr. Frank Price were the guests of Mr. and Mrs. W. H. Pressley Sunday, and Sunday night. At Union Grove prayer service some rascal cut the bulb of the horn on Mr. Pressley's automobile to splinteration.

Mr. and Mrs. J. C. Foard recently visited friends and relatives in Monroe.

Miss Lela Pressley has returned from visiting her cousin, Miss Eva Benton, in Charlotte.

To, ta, Padersky, you did well, and when my time comes I will rise and bark with my proposition for woman rights.—Fairness.

**FORETHOUGHT.**  
People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Archer, Caldwell, Ohio, writes: "I do not believe that our family has been without Chamberlain's Colic, Cholera and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.

**No. 666**  
This is a prescription prepared especially for MALARIA or CHILLS & FEVER. Five or six doses will break any case, and if taken then as a tonic the fever will not return. It acts on the liver better than Calomel and does not gripe or sicken. 25c

**Unionville Items.**  
Correspondence of The Journal.

Unionville, June 26.—Congratulations Pad. Your first speech on woman suffrage was a "huge" success. I am glad that I said I would help you out if you needed it but if all your speeches are as interesting and truthful as the first one was I am sure you will not need my feeble assistance.

Scapegoat, why did you not write your first speech for Friday's paper? I thought sure you would after Pad did so well, being the first on the affirmative. Come on now, don't be bashful or you are surely going to be beaten. (I don't believe you like women anyhow.)

Miss Myrtle Hamilton of Marshville is visiting her father, Prof. O. C. Hamilton.

Wild Rose spent last week with her aunt, Mrs. H. C. Epps, of North Monroe township.

The latest news from Mr. Bruce Boger, who is in a hospital in Charlotte, is that he is no better.

Mr. Orla Braswell of Fairfield visited friends here Sunday.

Mr. Azer Hancock and sister visited friends here yesterday.

I wish to welcome our new correspondent, "Joy." Your letters are very interesting and well written. Success to you.—Wild Rose.

A thing of beauty is a joy while it continues to win out.

**Meredith College**  
One of the few colleges for women in the South that confers A.B. and B.S. degrees representing four years of genuine college work according to the standard of the colleges belonging to the Association of Colleges of the Southern States. A Junior college diploma may be had after completion of two full years of college work.

Diplomas are awarded those who can complete the course in the schools of Art and Music.

Library facilities excellent.

Systematic training in physical education. Courts for tennis and basketball.
